This Plan has been established and shall be maintained in such manner as to meet the requirements of Sections 403(b) and other applicable sections of the Internal Revenue Code of 1986, as amended.

1.2 The purpose of this Plan is to provide the benefits of a tax-sheltered annuity plan for the exclusive benefit of the Participants, former Participants and their Beneficiaries; and this Plan shall be administered and interpreted in accordance with such purpose.

1.3 It is intended that this Plan will not be subject to the requirements of ERISA under Department of Labor Regulation Section 2510.3-2(f).

---

Certain terms of this Plan have defined meanings which are set forth in this Article and which shall govern unless the context in which they are used clearly indicates that some other meaning is intended.

2.20 **Participant Plan Contributions** means contributions made by a Participant under this Plan. Participant Plan Contributions are designated as being picked-up by the Institution in lieu of contributions by the Participant, in accordance with Code Section 414(h)(2). The words "hereof," "herein," "hereunder" and other similar compounds of the word "here" shall mean and refer to the entire Plan and not to any particular provision or Section.

---

## **ARTICLE 3 PARTICIPATION**

**3.1 Notification.** The Institution will notify an Eligible Employee when he or she has completed the requirements necessary to become a Participant. An Eligible Employee who complies with the requirements and becomes a Participant is entitled to the benefits and is bound by all the terms, provisions, and conditions of this Plan, including any amendments that, from time to time, may be adopted, and including the terms, provisions and conditions of any Funding Vehicle(s) to which Plan Contributions for the Participant have been applied.

**3.2 Enrollment in Plan - One Time Irrevocable Election.** To participate in this Plan, an Eligible Employee must complete the necessary enrollment form(s) and return them to the Institution. An employee who has been notified that he or she is eligible to participate but who fails to return the enrollment forms within thirty (30) days of receipt of the enrollment form(s) will be deemed to have waived all of his or her rights under the Plan. That is, an Eligible Employee is given a one time option to participate in the Plan. Once an Eligible Employee has elected to participate in the Plan, the Eligible Employee, as a condition of continued employment, may not withdraw from participation in the Plan.

**3.3 Reemployment.** A former employee who was an Eligible Employee before termination of employment will be eligible to begin participation immediately after reemployment provided the former employee is an Eligible Employee.

**3.4 Termination of Participation.** A Participant will continue to be eligible for the Plan until one of the following conditions occur:

- he or she ceases to be an Eligible Employee;
- the Plan is terminated.

Furthermore, if a Participant begins to receive retirement benefits from the Accumulation Account(s) arising from Plan Contributions under this Plan before termination of employment, he or she will cease to be eligible and no further Institution Plan Contributions will be made on his or her behalf.

---

## **ARTICLE 4 CONTRIBUTIONS**

**4.1 Contributions.** Plan Contributions will be made for Eligible Employees as follows:

Each Institution shall contribute an amount equal to seven and eighty-one hundredths percent (7.81%), reduced by any amount necessary, if any, to provide contributions to a total disability program, but in no event less than five percent (5%), of the portion of each Participant's Compensation that exceeds the annual compensation limits of Code Section 401(a)(17); and

Each Participant shall contribute an amount equal to six and ninety-seven hundredths percent (6.97%) of the portion of the Participant's Compensation that exceeds the annual compensation limits of Code Section 401(a)(17).

Plan Contributions are considered to be credited to Participants no later than the last day of the Plan Year for which the Plan Contributions are made.

**4.2 When Contributions are Made.** Plan Contributions will begin when the Institution has determined that the Participant has met or will meet the requirements of Article 3. Any part of a year's Plan Contributions not contributed before this determination will be included in contributions made for that year after the determination. Plan Contributions will be forwarded to the Fund Sponsor(s) in accordance with the procedures established by the Institution. Institution Plan Contributions will be forwarded to the Fund Sponsor(s) at least annually. Participant Plan Contributions will be forwarded by the Institution to the Fund Sponsor(s) as soon as it is administratively feasible for the Institution to segregate contributions, but in any event, within the time required by law. For the period beginning on the Effective Date and ending upon completion of the Plan Year, Participant Plan Contributions shall be prorated over such period.

**4.3 Allocation of Contributions.** A Participant may allocate Plan Contributions to the Funding Vehicle(s) in any whole-number percentages that equal 100%. A Participant may change his or her allocation of future contributions to the Funding Vehicle(s) according to the administrative procedures of the Fund Sponsor(s). A Participant may direct contributions to only one Fund Sponsor at any given time. However, a Participant may change Fund Sponsors once per calendar year by completing the appropriate forms provided by the Institution.

**4.4 Leave of Absence.** During a paid leave of absence, Plan Contributions will continue to be made for a Participant on the basis of Compensation then being paid by the Institution. No Plan Contributions will be made during an unpaid leave of absence.

**4.5 Transfer of Funds from Another Plan.** The Fund Sponsor shall accept contributions that are transferred directly from any other plan qualified under sections 401(a) or 403(a) of the Code, whether such plans are funded through a trustee arrangement or through an annuity contract, if such contributions are attributable only to Institution and Employee contributions and the earnings thereon and accompanied by instructions showing the respective amount attributable to Institution and Employee contributions. Such funds and the accumulation generated from them shall always be fully vested and nonforfeitable.

---

**4.6 Acceptance of Rollover Contributions.** If a Participant is entitled to receive a distribution from another plan qualified under sections 401(a) or 403(a) of the Code that is an eligible rollover distribution under section 402 of the Code, the Fund Sponsor will accept such amount under this Plan provided the rollover to this Plan is made (1) directly from another plan; or (2) by the Participant within 60 days of the receipt of the distribution.

**4.7 Uniformed Services.** Notwithstanding any provision of this Plan to the contrary, contributions, benefits, and service credit with respect to qualified military service will be provided in accordance with § 414(u) of the Code.

**4.8 Maximum Plan Contributions.** Notwithstanding anything contained in this Plan to the contrary, the total Annual Additions made for any Participant for any year will not exceed the amount permitted under section 415 of the Code. The limitations of Code Section 415 are hereby incorporated by reference.

For the purpose of calculating the limits of Code Section 415, compensation means a Participant's earned income, wages, salaries, and fees for professional services and other amounts received for personal services actually rendered in the course of employment with the Institution and excluding the following: (a) Institution contributions to a plan of deferred compensation that are not includable in the Participant's gross income for the taxable year in which contributed, or Institution contributions under a simplified employee pension plan to the extent such contributions are deductible by the Participant, or any distributions from a plan of deferred compensation; and (b) other amount that received special tax benefits, or contributions made by the Institution (whether or not under a salary reduction agreement towards the purchase of an annuity described in Code Section 403(b) (whether or not the amounts are actually excludable from the gross income of the Participant). For years beginning after December 31, 1997, compensation shall include any elective deferral (as defined in Code § 401(g)(3)) and any amount which is contributed or deferred by the Institution at the election of the Participant and which is not includable in the gross income of the Participant by reason of Code § 125 or 457. For purposes of applying the limitations described in this section of the Plan, compensation shall include elective amounts that are not includable in the gross income of the Participant by reason of Code § 132(f)(4).

To the extent permitted by Code Section 415 and the regulations promulgated thereunder, if the Annual Additions exceed the Section 415 limitations, the excess amounts will be disposed of as follows: (a) any Participant Plan Contributions (plus any gain attributable to the excess), to the extent they would reduce the excess amount, will be returned to the Participant; and, to the extent necessary, (b) if, after the application of (a) an excess still exists, the excess will be held unallocated in a suspense account and will be applied to reduce Institution Plan Contributions in succeeding limitation years.

If the limitations are exceeded because the Participant is also participating in another plan required to be aggregated with this Plan for Code Section 415 purposes, then the extent to which annual contributions under this Plan will be reduced, as compared with the extent to which annual benefits or contributions under any other plans will be reduced, will be determined by the Institution in a manner as to maximize the aggregate benefits payable to the Participant from all plans. If the reduction is under this Plan, the Institution will advise affected Participants of any additional limitation on their annual contributions required by this paragraph.

---

## **ARTICLE 5 VESTING AND DISTRIBUTIONS**

**5.1 Vesting.** Plan Contributions shall be fully vested and nonforfeitable when such Plan Contributions are made.

**5.2 Commencement of Benefits.** A Participant shall be entitled to receive distributions in accordance with the terms of the Funding Vehicles. However, the Participant's Funding Vehicles shall provide the following:

(a) In no event shall any benefit be distributed to a Participant prior to the Participant's Termination of Employment, attainment of age 59½ or financial hardship.

(b) No benefit shall be distributed prior to the Participant's Normal Retirement Date or death without the Participant's consent. Notwithstanding the preceding sentence, benefits shall be distributed without the Participant's consent if a distribution is required under Section 6.7.

(c) No portion of Funding Vehicle shall be distributable on account of financial hardship unless the hardship distribution provisions of such Funding Vehicle comply with the requirements of the Code and ERISA.

(d) Participants cannot direct the Fund Sponsors to distribute or otherwise dispose of Funding Vehicles. Only the Institution may direct the Fund Sponsors with respect to the commencement of benefits or other disposition of Funding Vehicles.

**5.3 Application for Benefits.** The Institution may require a Participant or Beneficiary to complete and file with the Institution certain forms as a condition precedent to the payment of benefits. The Institution may rely upon all such information given to it, including the Participant's current mailing address. It is the responsibility of all Participants to keep the Institution informed of their current mailing addresses.

**5.4 Distributions Pursuant to Qualified Domestic Relations Orders.** Notwithstanding anything to the contrary in this Plan, a "qualified domestic relations order," as defined in Code Section 414(p), may provide that any amount to be distributed to an alternate payee may be distributed immediately even though the Participant is not yet entitled to a distribution under the Plan. The intent of this Section 5.4 is to provide for the distribution of benefits to an alternate payee as permitted by Treasury Regulation 1.401(a)-13(g)(3).

**5.5 Distribution of Funding Vehicles.** All benefits payable under this Plan will be paid or provided solely from the applicable Funding Vehicles. After the Institution directs the Plan Sponsors to distribute such Funding Vehicles in accordance with the terms of the Plan, the Institution shall be free from all liability, individual, joint or several, with respect to payment of benefits attributable to such Funding Vehicles.

---

## **ARTICLE 6 FORM OF PAYMENT**

**6.1 Funding Vehicles Will Comply With Article 6.** Each Funding Vehicle will provide for distributions in accordance with the provisions of this Article 6.

**6.2 Retirement Benefits.** A Participant who has terminated employment may elect to receive retirement benefits under any of the forms of benefit, as provided below.

**Forms of Benefit.** The forms of benefit are the benefit options offered by the Funding Vehicles available under this Plan. These forms are equally available to all Participants choosing the Funding Vehicle. The forms of benefit available under this Plan include:

- Single life annuities as provided under the Funding Vehicle contract.
- Joint and survivor annuities as provided under the Funding Vehicle contract.
- Cash withdrawals (to the extent the Funding Vehicle permits and subject to the limitations in the "Cash Withdrawal" section of this Article).
- Fixed period annuities, as permitted by the Funding Vehicle contract.
- Retirement Transition Benefit.
- Such other annuity and withdrawal options as provided under the Funding Vehicle contract.

**6.3 Cash Withdrawals.** A Participant who has terminated employment may withdraw Participant Plan Contributions or receive benefits in any form the relevant Funding Vehicle permits, including a cash withdrawal. However, only an employee who has terminated employment and has attained age 55 may withdraw Institution Plan Contributions or receive benefits in any form the relevant Funding Vehicle permits, including a cash withdrawal.

Except, following retirement or termination of employment prior to age 55, if total accumulation is less than or equal to \$10,000, both Participant and Institution Plan Contributions are available in a cash withdrawal subject to any restrictions of the Funding Vehicles of the Fund Sponsor.

**6.4 Retirement Transition Benefit.** Unless the Minimum Distribution Annuity, or the Limited Periodic Withdrawal Option is elected, a Participant may elect to receive a one time lump-sum payment of up to ten percent (10%) of his or her Accumulation Account(s) in TIAA and/or the CREF account(s) at the time annuity income begins, provided the one such payment from each TIAA contract and/or CREF account(s) doesn't exceed ten percent (10%) of the respective Accumulation Account(s) being converted to retirement income.

**6.5 Survivor Benefits.** If a Participant dies before the start of retirement benefit payments, the full current value of the Accumulation Account(s) is payable to the Beneficiary(ies) under the options offered by the Funding Sponsors. Distribution of Survivor Benefits is subject to the required distribution rules set forth in Code Section 401(a)(9).

---

**6.6 Application for Benefits.** Procedures for receipt of benefits are initiated by writing directly to the Fund Sponsor. Benefits will be payable by the Fund Sponsor upon receipt of a satisfactorily completed application for benefits and supporting documents. The necessary forms will be provided to the Participant, the surviving spouse, or the Beneficiary(ies) by the Fund Sponsor.

**6.7 Minimum Distribution Requirements.** The requirements of this Section shall apply to any distribution of a Participant's Account and will take precedence over any inconsistent provisions of this Plan. Distributions in all cases will be made in accordance with Code Section 401(a)(9) and the regulations promulgated thereunder.

**(a) Time and Manner of Distribution.**

**(i) Required Beginning Date.** The Participant's entire interest shall be distributed, or begin to be distributed, to the Participant no later than the Participant's Required Beginning Date.

**(ii) Death of Participant Before Distributions Begin.** If the Participant dies before distributions begin, the Participant's entire interest shall be distributed, or begin to be distributed, no later than as follows:

(1) If the Participant's surviving spouse is the Participant's sole designated Beneficiary, then distributions to the surviving spouse shall begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained age 70½, if later.

(2) If the Participant's surviving spouse is not the Participant's sole designated Beneficiary, then distributions to the designated Beneficiary shall begin by December 31 of the calendar year immediately following the calendar year in which the Participant died.

(3) If there is no designated Beneficiary as of September 30 of the year following the year of the Participant's death, the Participant's entire interest shall be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(4) If the Participant's surviving spouse is the Participant's sole designated Beneficiary and the surviving spouse dies after the Participant but before distributions to the surviving spouse begin, this subsection (a)(ii), other than subsection (a)(ii)(1), will apply as if the surviving spouse were the Participant.

For purposes of subsections (a)(ii) and (c), unless subsection (a)(ii)(4) applies, distributions are considered to begin on the Participant's Required Beginning Date. If subsection (a)(ii)(4) applies, distributions are considered to begin on the date distributions are required to begin to the surviving spouse under subsection (a)(ii)(1). If distributions under an annuity purchased from an insurance company irrevocably commence to the Participant before the Participant's Required Beginning Date (or to the Participant's surviving spouse before the date distributions are required to begin to the surviving spouse under subsection (a)(ii)(1), the date distributions are considered to begin is the date distributions actually commence.

---

**(iii) Forms of Distribution.** Unless the Participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum on or before the Required Beginning Date, as of the first distribution calendar year distributions shall be made in accordance with subsections (b) and (c) of this Article 6. If the Participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of Code Section 401(a)(9) and the Treasury Regulations.

**(b) Required Minimum Distribution for Each Distribution Calendar Year.** During the Participant's lifetime, the minimum amount that will be distributed for each distribution calendar year is the lesser of:

**(i) Amount of Required Minimum Distribution for Each Distribution Calendar Year.** During the Participant's lifetime, the minimum amount that will be distributed for each distribution calendar year is the lesser of:

(1) the quotient obtained by dividing the Participant's account balance by the distribution period in the Uniform Lifetime Table set forth in Treasury Regulation Section 1.401(a)(9)-9, using the Participant's age as of the Participant's birthday in the distribution calendar year; or

(2) if the Participant's sole designated Beneficiary for the distribution calendar year is the Participant's spouse, the quotient obtained by dividing the Participant's account balance by the number in the Joint and Last Survivor Table set forth in Treasury Regulation Section 1.401(a)(9)-9, using the Participant's and spouse's attained ages as of the Participant's and spouse's birthdays in the distribution calendar year.

**(ii) Lifetime Required Minimum Distribution Through Year of Participant's Death.** Required minimum distributions will be determined under this subsection (b) beginning with the first distribution calendar year and up to and including the distribution calendar year that includes the Participant's date of death.

**(c) Required Minimum Distributions After Participant's Death.**

**(i) Death On or After Date Distributions Begin.**

(1) Participant Survived by Designated Beneficiary. If the Participant dies on or after the date distributions begin and there is a designated Beneficiary, the minimum amount that will be distributed for each distribution calendar year after year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the longer of the remaining life expectancy of the Participant or the remaining life expectancy of the Participant's designated Beneficiary, determined as follows:

(a) The Participant's remaining life expectancy is calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(b) If the Participant's surviving spouse is the Participant's sole designated Beneficiary, the remaining life expectancy of the surviving

---

spouse is calculated for each distribution calendar year after the year of the Participant's death using the surviving spouse's age as of the spouse's birthday in that year. For distribution calendar years after the year of the surviving spouse's death, the remaining life expectancy of the surviving spouse is calculated using the age of the surviving spouse as of the spouse's birthday in the calendar year of the spouse's death, reduced by one for each subsequent calendar year.

(c) If the Participant's surviving spouse is not the Participant's sole designated Beneficiary, the designated Beneficiary's remaining life expectancy is calculated using the age of the Beneficiary in the year following the year of the Participant's death, reduced by one for each subsequent year.

(2) No Designated Beneficiary. If the Participant dies on or after the date distributions begin and there is no designated Beneficiary as of September 30 of the year after the year of the Participant's death, minimum amount that shall be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the Participant's remaining life expectancy calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

**(ii) Death Before Date Distributions Begin.**

(1) Participant Survived by Designated Beneficiary. If the Participant dies before the date distributions begin and there is a designated Beneficiary, the minimum amount that shall be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the remaining life expectancy of the Participant's designated Beneficiary, determined as provided in subsection (i).

(2) No Designated Beneficiary. If the Participant dies before the date distributions begin and there is no designated Beneficiary as of September 30 of the year following the year of the Participant's death, distribution of the Participant's entire interest shall be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(3) Death of Surviving Spouse Before Distributions to Surviving Spouse are Required to Begin. If the Participant dies before the date distributions begin, the Participant's surviving spouse is the Participant's sole designated Beneficiary, and the surviving spouse dies before distributions are required to begin to the surviving spouse under subsection (a)(ii)(1), this subsection (c)(ii) shall apply as if the surviving spouse were the Participant.

**(d) Definitions.**

(i) **Designated Beneficiary.** The individual who is designated as the Beneficiary under the Plan and is the designated Beneficiary under Code Section 401(a)(9) and Treasury Regulation Section 1.401(a)(9)-1, Q&A-4.

(ii) **Distribution Calendar Year.** A calendar year for which a minimum distribution is required. For distributions beginning before the Participant's death, the first distribution calendar year is the calendar year immediately preceding the calendar year

---

which contains the Participant's Required Beginning Date. For distributions beginning after the Participant's death, the first distribution calendar year is the calendar year in which distributions are required to begin under subsection (a)(ii). The required minimum distribution for the Participant's first distribution calendar year shall be made on or before the Participant's Required Beginning Date. The required minimum distribution for other distribution calendar years, including the required minimum distribution for the distribution calendar year in which the Participant's Required Beginning Date occurs, will be made on or before December 31 of that distribution calendar year.

**(iii) Life Expectancy.** Life expectancy as computed by use of the Single Life Table in Treasury Regulation Section 1.401(a)(9)-9.

**(iv) Participant's Account Balance.** The Participant's account balance as of the last valuation date in the calendar year immediately preceding the distribution calendar year (valuation calendar year) increased by the amount of any contributions made and allocated to the Participant's account balance as of dates in the valuation calendar year after the valuation date and decreased by distributions made in the valuation calendar year after the valuation date. The Participant's account balance for the valuation calendar year includes any amounts rolled over or transferred to the Plan either in the valuation calendar year or in the distribution calendar year if distributed or transferred in the valuation calendar year.

**(v) Required Beginning Date.** The Required Beginning Date of a Participant is April 1 following the calendar year in which the Participant attains age 70½ or if later, April 1 following the calendar year in which the Participant retires.

**(e) Election to Allow Participant, Former Participants or Beneficiaries to Elect 5-Year Rule.** Participants or beneficiaries may elect on an individual basis whether the 5-year rule or the life expectancy rule in subsections (a)(ii) and (c)(ii) applies to distributions after the death of a Participant who has a designated Beneficiary. The election must be made no later than the earlier of September 30 of the calendar year in which distribution would be required to begin under subsection (a)(ii), or by September 30 of the calendar year which contains the fifth anniversary of the Participant's (or, if applicable, surviving spouse's) death. If neither the Participant nor Beneficiary makes an election under this paragraph, distributions will be made in accordance with subsections (a)(ii) and (c)(ii).

**(f) Election to Allow Designated Beneficiary Receiving Distributions Under 5-Year Rule to Elect Life Expectancy Distributions.** A designated Beneficiary who is receiving payments under the 5-year rule may make a new election to receive payments under the life expectancy rule until December 31, 2003, provided that all amounts that would have been required to be distributed under the life expectancy rule for all distribution calendar years before 2004 are distributed by the earlier of December 31, 2003 or the end of the 5-year period.

**6.8 Small Sum Payments.** A Participant's accumulations may be received in a single sum if certain conditions are met. If a Participant in this Plan terminates employment with the Institution and requests that the Fund Sponsor pay his or her Group Retirement Annuity accumulation in a single sum, the Institution will approve such request if, at the time of the request, the following conditions apply:

- (a) The total Accumulation Account is \$2,000 or less.

---

(b) The total Accumulation Account attributable to Plan Contributions is not more than \$4,000.

Upon request for the small sum payment, the total Accumulation Account will be payable by the Fund Sponsor to the Participant in a lump sum and will be in full satisfaction of the Participant's rights and his or her spouse's rights to retirement or survivor benefits.

**6.9 Direct Rollovers.** This section applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee's election under this section, a distributee may elect, at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

For this section, the following definitions apply:

(a) Eligible Rollover Distribution. The Institution may employ attorneys, agents, and accountants, as it finds necessary or advisable to assist it in carrying out its duties. The Institution, by action of the Board, may designate a person or persons other than the Institution to carry out any of its powers, authority, or responsibilities. Any delegation will be set forth in writing.

These liabilities include expenses, attorney's fees, judgments, fines, and amounts paid in connection with any threatened, pending or completed action, suit or proceeding related to the exercise (or failure to exercise) of this authority. This is in addition to whatever rights of indemnification exist under the articles of incorporation, regulations or bylaws of the Institution, under any provision of law, or under any other agreement.

**7.6 Statements.** The Institution will determine the total amount of contributions to be made for each Participant from time to time on the basis of its records and in accordance with the provisions of this Article. When each contribution payment is made by the Institution, the Institution will prepare a statement showing the name of each Participant and the portion of the payment that is made for him or her, and will deliver the statement to the appropriate Fund Sponsors with the contributions payment. Any determination by the Institution, evidenced by a statement delivered to the Fund Sponsors, is final and binding on all Participants, their Beneficiaries or contingent annuitants, or any other person or persons claiming an interest in or derived from the contribution's payment.

## Amendment 1

### AMENDMENT OF THE IDAHO STATE BOARD OF EDUCATION SUPPLEMENTAL RETIREMENT PLAN FOR EGTRRA

IN WITNESS WHEREOF, the Idaho State Board of Education herein amends the Idaho State Board of Education Supplemental Retirement Plan, as follows:

#### A. PREAMBLE

1. Adoption and effective date of amendment. This amendment of the Plan is adopted to reflect certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"). This amendment is intended as good faith compliance with the requirements of EGTRRA and is to be construed in accordance with EGTRRA and guidance issued thereunder. Except as otherwise provided, this amendment shall be effective as of the first day of the first plan year beginning after December 31, 2001.
2. Supersession of inconsistent provisions. - This amendment shall supersede the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this amendment.

#### B. LIMITATIONS ON CONTRIBUTIONS

Maximum Annual Addition. The annual addition that may be contributed or allocated to a Participant's account under the Plan for any limitation year shall not exceed the lesser of:

- (a) \$40,000, as adjusted for increases in the cost-of-living under section 415(d) of the Code, or
- (b) 100 percent of the Participant's compensation, within the meaning of section 415(c)(3) of the Code, for the limitation year.

The compensation limit referred to in (b) shall not apply to any contribution for medical benefits after separation from service (within the meaning of section 401(h) or section 419(f)(2) of the Code), if any, otherwise treated as an annual addition.

#### C. INCREASE IN COMPENSATION LIMIT

1. Annual Compensation Limit. The annual compensation of each Participant taken into account in determining allocations for any plan year beginning after December 31, 2001, shall not exceed \$200,000, as adjusted for cost-of-living increases in accordance with section 401(a)(17)(B) of the Code. Annual compensation means compensation during the plan year or such other consecutive 12 month period over which compensation is otherwise determined under the plan (the determination period). The cost-of-living adjustment in effect for a

---

calendar year applies to annual compensation for the determination period that begins with or within such calendar year.

2. Plan Definition of Compensation. To the extent the Plan's definition of Compensation includes compensation not currently includable because of the application of Code Section 125 or 403(b), this definition is amended to include compensation not currently includable because of the application of Code §§ 132(f)(4) and 457.
3. Special Rule for Governmental Plans. Notwithstanding the above, employees of governmental Institutions who became Participants in the Plan before the first day of the plan year beginning after December 31, 1995, will be subject to the annual compensation limit in effect under the Plan before that date, as determined by IRS regulations.

#### D. DIRECT ROLLOVERS OF PLAN DISTRIBUTIONS

1. Effective date. This section shall apply to distributions made after December 31, 2001.
2. Modification of definition of eligible retirement plan. For purposes of the direct rollover provisions in Article 6 of the Plan, an eligible retirement plan shall mean a qualified retirement plan described in section 401(a) or section 403(a), of the Code, a tax sheltered annuity plan described in section 403(b) of the Code and an eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan. The definition of eligible retirement plan shall also apply in the case of a distribution to a surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relation order, as defined in section 414(p) of the Code.
3. Modification of definition of eligible rollover distribution to exclude hardship distributions. For purposes of the direct rollover provisions in Article 6 of the Plan, any amount that is distributed on account of hardship shall not be an eligible rollover distribution and the distributee may not elect to have any portion of such a distribution paid directly to an eligible retirement plan.
4. Modification of definition of eligible rollover distribution to include after-tax employee contributions. For purposes of the direct rollover provisions in Article 6 of the Plan, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includable in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in section 401(a) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is

---

includible in gross income and the portion of such distribution which is not so includible.

E. ROLLOVERS FROM OTHER PLANS

1. Direct Rollovers. The Plan will accept a direct rollover of an eligible rollover distribution from:
  - a. A qualified plan described in section 401(a) or 403(a) of the Code including after-tax employee contributions.
  - b. A tax sheltered annuity plan described in section 403(b) of the Code, excluding after-tax employee contributions.
  - c. An eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.
2. Participant Rollover Contributions from Other Plans. The Plan will accept a Participant contribution of an eligible rollover distribution from:
  - a. A qualified plan described in section 401(a) or 403(a) of the Code.
  - b. A tax sheltered annuity plan described in section 403(b) of the Code.
  - c. An eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.
3. Participant Rollover Contributions from IRAs. The Plan will accept a Participant rollover contribution of the portion of a distribution from an individual retirement account or annuity described in section 408(a) or 408(b) of the Code that is eligible to be rolled over and would otherwise be includible in gross income.
